

PRESTIGE

PRESTIGE is a waxed, plated, pure aniline saddle leather. Its full hand and pull up finish for a visually striking leather that's perfect for sofas in a cubic design. PRESTIGE harkens back to classic leathers of the 1950s. Over time and with use, PRESTIGE will develop a gorgeous patina, complimenting the very much intended colour variations caused by the final wax finish that makes this leather so vibrant.

Quality test certificate in accordance to DGM guidelines 2016

Please note that this test certificate does not relieve the customer of his obligation to inspect incoming goods and may claim of third parties to whom it is passed. It is not a property assurance in legal sense.

CLEANING AND CARE INSTRUCTION

PRESTIGE is a waxed aniline saddle leather. Due to the open pores aniline leather is slightly sensitive.

For everyday cleaning, it is sufficient to occasionally dust off the leather with a **feather duster** or a dry **dust cloth**.

Stains can be additionally cleaned with a damp terry cloth. Not too wet! Dry the darkened area with a hair dryer to avoid remaining water marks. Always practice a cleaning test in a hidden area! Be especially careful with lighter leather.

For difficult stains, it is always better to contact a specialist first. Damage can easily occur due to improper cleaning attempts.

For regular treatment of Aniline leather we recommend **Aniline Cream**. The Aniline Cream prevents stains and dirt and keeps the leather soft and smooth.

Older leather and leather which is regular exposed to sun or near a fireplace should additionally be treated with **Aniline Protector**. The Aniline Protector provides the necessary moisturizing of dry leather and prevents fading.

Depending on the strain, heat, and light intensity, the leather should be sparingly maintained every three to twelve months.
