

## TEXAS

TEXAS is a wild antiqued leather, available in 2.2/2.4 mm thickness, finished with oil and wax and only lightly tumbled at the end. This gives TEXAS a spectacular vintage look and an exciting and intentionally irregular surface texture. TEXAS is made for real leather fans who love and appreciate rawness. TEXAS lends its owner a wild and unmistakable charm. Natural features enhance the typical antiqued character and make every piece of furniture or bag made of TEXAS a real one-of-a-kind.

Yellowing of white leather after 72 h at 50°C	no yellowing
Tear strength (N/mm) DIN EN ISO 3377-1	≥ 20N
Flexing endurance dry DIN EN ISO 5402 (20.000 bucklings )	i.O.
Fire protection standard DIN EN 1021 Part 1+2	i.O.

Quality test certificate in accordance to DGM guidelines 2016

Please note that this test certificate does not relieve the customer of his obligation to inspect incoming goods and may claim of third parties to whom it is passed. It is not a property assurance in legal sense.

## **CLEANING AND CARE INSTRUCTION**

---

The article TEXAS is a high-quality aniline leather. Due to the open pores, these leathers are pleasantly warm, but also a little more sensitive to stains.

For everyday cleaning, it is sufficient to occasionally dust off the leather with a **feather duster** or a dry **dust cloth**.

Stains can be additionally cleaned with a damp terry cloth. Not too wet! Dry the darkened area with a hair dryer to avoid remaining water marks. Always practice a cleaning test in a hidden area! Be especially careful with lighter leather.

For difficult stains, it is always better to contact a specialist first. Damage can easily occur due to improper cleaning attempts.

For maintenance, we recommend **Aniline Protector**. The Aniline Protector provides the necessary moisturizing to keep the leather soft and prevents fading.

In case of risk of stains caused by liquids, **Water Repellent Spray** is recommended.

Depending on the strain, heat, and light intensity, the leather should be sparingly maintained every three to twelve months.
